#### **FOUNDER'S MESSAGE**

Hi Everyone!

Well, it's nearing the end of the summer and I can't believe how fast it has gone by. Hard to believe Labor Day is just around the corner. Then Fall arrives, a spectacular time here in NH. It's just too bad winter follows.

OHT has been very busy this summer as always, planning for our busiest time of year – around Veteran's Day and when College Football is in full swing. We have new products launching soon – Dukal band aids, being one, in OHT camouflage, are coming to Amazon and you'll definitely need some at home, at the office, and in your car. This is our first consumer product and we are very excited. They will also be sold to doctors' offices, VA Medical Centers, and hospitals.

There will be new licensees introduced soon as well so continue following us and reading the newsletter for updates.

The annual OHT golf tournament held in North Conway, NH was a huge success. Thanks to Peter Fresco and his team for doing another amazing job. It was SOLD OUT again!!! A special thanks to Eastern Propane for their generous \$10,000 donation, the largest single donation of the tournament. This money stays right here in NH in the North Country for veterans in recovery.

Operation Hat Trick continues to make an impact on so many lives. We're honored and proud to be able to do the work we do and know we couldn't do it without you. Stay tuned for the September newsletter where I'll give you a few examples. Get out the Kleenex.

Be safe and well!

All my best,

Dot
